7. **St Paul's, Dronfield**—The mission of St. Paul's, Dronfield is to be a welcoming and inclusive church for all people, by developing a church family which is continually growing in Christian faith, worship and outreach; by endeavouring to show Christ's love in the Dronfield community and throughout the world in practical ways; and, valuing our membership of Churches Together in Dronfield and District and supporting its ongoing mission.
8. **Trinity Woodhouse**—We aim to provide hospitality to all who enter our doors, and we are learning what it means to be a village chaplaincy.
9. **Victoria Stafford Road**—For the last 15 years the church building at Victoria has been managed by Victoria Community Enterprise, a charity whose members are drawn from church, community and users of the premises. This arrangement has helped the Church to thrive and also enabled maximum use of the premises by a range of local groups both as regular users of community facilities and occupiers of office space. This year we have also welcomed The Steeple Corner Café, part of The Real Junk Food Project who serve delicious meals using ingredients that would otherwise have gone to waste and ask customers to 'Pay As You Feel'.
10. **St Peter's Ellesmere LEP (no stall)**— A joint Anglican/Methodist Partnership church since 1984, St Peter's lives out the more recent Covenant between the two denominations and aims to shine as a beacon for Jesus in the inner city.
