

Mission Policy

1. The Sheffield Circuit exists to support and enable the work of the churches in the Circuit, for themselves and others, to:

- seek to become, increasingly, followers of Jesus Christ
- increase awareness of God's presence and celebrate God's love
- help people to grow and learn as Christians, through mutual support and care
- be good neighbours to people in need and challenge injustice
- make more followers of Jesus Christ

The Circuit also has a role in relation to the City and issues of concern in public life across the City.

2. The core values by which the Circuit lives out this purpose are to:

- underpin everything we do with God-centred worship and prayer
- nurture a culture in the Church which is mission-oriented, people-centred and flexible
- affirm the importance of wise and proper use of resources of people, property and finance
- recognise those fragile pieces of work that need to be sustained as a mission priority
- give attention to areas where new work should be begun

3. The priorities of the Circuit are to (not ranked in order of priority):

- encourage fresh ways of being Church
- support and affirm the value of existing work which focuses on mission
- encourage and support mission orientated work in churches which lack financial or other resources
- develop confidence in evangelism and in the capacity to speak of God and faith in ways that make sense to all involved
- support community development and action for justice, especially among the most deprived and poor – in Britain and worldwide
- encourage churches to review their life and their use of resources
- foster a climate of learning and development
- build partnerships with other churches, faith groups and organisations with whom we share common values
- act in ways that contribute to the care of the earth
- encourage cooperation between churches
- explore spirituality and nurture spirituality in others
