Action for Hope - Encouraging Birds

A Rocha Eco Church provides [useful advice](#) on how to encourage birds to the space and land that you look after - *Let birds multiply on the earth' (God's blessing in Genesis 1:22).*

Birds are a dynamic and visible sign of God's intention for life on earth to thrive. That alone gives us a great reason to encourage birds in our church grounds: it is an act of worship to their Creator whilst encouraging others to enjoy creation along with God and us. It is also an easy and fun way

to demonstrate our commitment to restoring a troubled planet. **The basic needs of birds - like ours - are simple: safety, food, water and shelter. With a little planning to cover the basics, you will discover that even the smallest patch has potential.***

Manna and Mercy training course

7, 14, 21 and 28 April and 5 May 2026 (five sessions)

Woodseats Methodist Church, Holmhirst Road, S8 0GU

During the Manna and Mercy course, we will take a fresh look at scripture through the interpretive lens of Jesus' life, death and resurrection and God's overall call for each one of us to partner with God in mending this fractured world.

The Bible is meant to be an instrument of God to enable abundant life for God's creation. Sadly, through the ages it has been read and interpreted in such a way that it has been used as an instrument of human domination, and death. It has been used to cheer on the Crusades, advocate Apartheid, sanction sexism and worship prosperity in the face of the poor, to name just a few horrors of our human history.

The hope is that after completing the course, our interpretations and use of the scriptures will be truly liberating and life-enabling for all of creation.

A prayer to God the heart of creation

Before words and beyond imagination,
grasped in wonder and beauty,
realised in silence, noticed in care;
You are Lord.

Within each atom and nucleotide,
carried in the rhythm of every breath,
borne in the love songs of creation;
You are present.

Known in grace, joy and hope,
lived in generosity and hospitality,
found within and without us;
You are love.

Loving Lord, divinely present,
may we trust you enough to cease our striving and so attend to your gift among us,
which brings meaning to all we are and all we do. Amen.

Church Events & Information

An Easter Journey on Saturday, 4th April at Hillsborough Trinity

Anytime between 11.00 am to 3.00 pm

Several years ago, the Banner Group from Hillsborough Trinity began work on a series of mixed media panels. We discussed the themes of the Bible passage, the wording we would use and how we might produce each piece. We felt inspired to focus on ten elements of the story which we worked on using embroidery, paint and photography. The panels will be on display on Easter Saturday as part of our Easter Journey event. Members of Café Church have written devotions and prayers in response to the images. Cake and Coffee will be served throughout the day and a children's activity will be available.

Good News

The Cedar Tree Coffee Shop is opening 17 March

We are at **Cedar Road as part of the Food Matters Community Hub, opposite the Spar Supermarket (Stocksbridge)**. This is a project to save waste by eating great cakes and drinking great coffee. It's open to everyone. Come and try us out. We are open Tuesday and Thursday mornings to start, and it is all run by volunteers. The Coffee Shop is also an environmental project. It will be bringing into the community the excess stock of cakes and biscuits that the manufacturers cannot sell on. So instead of sending the produce to landfill, they are offering it to Food Matters. **If anyone would like to volunteer, they can call in on a Tuesday or Thursday morning**, try out a coffee, and talk to the volunteers already there.

Justice and Peace

Statement on the situation in the Middle East

We note and share in the grave concern by the World Council of Churches to the widening hostilities across the Middle East and the dangerous escalation of violence which is fuelling a spiral of retaliation. We stand in solidarity with all communities facing fear, loss, and growing instability and call for a renewed commitment to dialogue grounded in the rule of law, with all parties striving for peace and justice. We hold in prayer all communities across the region and especially our partners, the Middle East Council of Churches, remembering the longstanding Christian witness in the region to justice and meaningful dialogue. We also remember those within our own communities who are part of the Iranian diaspora, their family and friends who are living in the midst of this conflict, and all who – whether at work or on holiday – are currently caught in the region waiting for a safe way home. Volunteering Opportunities

Stocksbridge Food Bank

Urgent appeal for volunteers at the new Cedar Tree Coffee Shop Food Matters, which runs the Food Bank and the Community Outlet is planning to open a new volunteer-run community coffee shop on March 17th. They already have two volunteers for each day when they start (Tuesday and

Thursday mornings). They would really like another volunteer for each of those mornings, and if possible, a few more to enable them to open up on more mornings. One volunteer who would like to bake a tray-bake etc., on their volunteer morning in the dedicated coffee shop kitchen, would be wonderful. Please ring Ian Lucraft on 07428 744 014, or email at ianlucraft@btinternet.com, or call in on a Tuesday or Thursday morning, from 10-12.
