Growing in Faith, Circuit Prayer

Every Wednesday 8pm

Please see the details of the [Prayer for May - June](#).

A prayer in times of uncertainty and change

God of the earth, the sea and the sky, As we look around us we see change and uncertainty:

The effects of the changing seasons on the work of our farmers, and the security of homes and businesses. The power of the sea on our coastline and the catch of fishing boats. The flightpaths of military aircraft pointing towards global political uncertainty. In our churches and communities too, there is change and uncertainty.

May we know your steadfast love, and that in all times and all places you are there. In the name of Christ, Amen.

Refugee Week, Our Story, Our Song of Welcome

The Revd Richard Andrew, President of the Methodist Conference, and Matthew Forsyth, Vice-President, offer this reflection for Refugee Week

The theme for our presidential year, “*Our Story, Our Song*,” feels very timely in relation to Refugee Week. (Monday, 15 June to Sunday, 21 June, with World Refugee Day on Saturday, 20 June.) One strand of our theme focuses on those whose stories are missing from our narratives. But, when you do talk to a refugee, you hear stories of the pain and the sorrow of displacement. Behind the headlines are very human stories: a parent seeking safety for their child, a young person escaping violence, a family torn apart by war or persecution. The World Health Organization and the UK Government recognise that air pollution is the largest environmental threat to our health. For ideas on supporting this cause - including writing to your councillor, spread the word on social media etc please go to the [Clean Air Day website](#).

Funding

National Churches Trust

The Medium Grants programme can help your church, chapel, meeting house or cathedral with urgent repair and maintenance issues, as well as project development work. They can fund projects and investigative works that are centred around an existing church building, and which helps to develop a more informed, better quality proposal to a point where you can approach major grant funders. This could be researching repair issues through an in-depth structural report or identifying different approaches to a solution through feasibility or options appraisals.

Deadline Tuesday 18 August. For full application details [please click here.](#)

To help with writing grant applications to the National Churches Trust, [an example of an application form](#) for the Medium Grant programme has been created by the Connexional Property Support Team.

Other Information and News

Kindom Evangelism Seminar - Tues 23 June 10 for 10.30am

Faith sharing from a kindom-building perspective has been promulgated by UTU since it's inception, using Mark's gospel as the core text. It is a methodology that is rooted in radical and liberation theology but can be theologically open, does not have a proscribed set of actions or responses, but does hope that people will want to become followers of Jesus and kindom-builders in their own pace and way.

This month we will be looking particularly at speaking into communities that are divided and the work of Better Story a group set up to encourage Christians in dialogues of understanding with right wing protestors. Facilitator: Erica Dunmow

Join the group on Zoom for introductory chat from 10.00am and we will focus our discussion from 10.30 to finish by 11.30.

Email office@utusheffield.org.uk for a Zoom link.

Education is a harvest that lasts!

All children should be able to learn and have opportunities to flourish. At harvest time, as we thank God for creation and the environments that cause vegetation to grow, we will think about the factors that hinder children in Sierra Leone. The Kingdom Jesus envisions is one of justice and joy, where all can flourish under his care and live free of hinderances. Inspire your church with this vision at Harvest!
